TROPICANA® REEFER

The iconic Tropicana "Juice Train" has been a popular railroad fixture for decades. From the East Coast to California, the prototype cars make daily trips filled with refrigerated, fresh Tropicana Orange Juice. We're proud to announce our own modern version of this train on our stand-in 64' Modern Reefer. Imagine your own unit Juice Train - what a delicious proposition! Pre-order all 24 numbers now through your favorite hobby dealer or direct.
